

This is so easy & very delicious. Who does not love a good snack that is so easy to make & so heart-warming. My Easy Dessert - Cake and Custard is a must try.

Ingredients

2 cups of milk

1 tablespoon of custard powder

2 tablespoons of sugar

Method

Put your milk in a sufuria and heat it.

In a small bowl, mix your custard powder with a small amount of milk to a paste. Once the milk is beginning to come to a boil, pour in the custard paste and mix it in with a mwiko.

Stir until it is evenly mixed with a uniform consistency. Let it stay on the heat for about a minute or two then ladle onto bowls and serve.

SERVE WITH: fresh cake, bananas or on its own
